

## ***SPG-NA scholarship 2010***

SPG-North America chapter (SPG-NA) recently established SPGNA scholarship to help Indian geophysics students and faculties for their research, training and attending international conferences. We need financial support from SPG-NA members for SPGNA scholarship fund.

We are requesting donations for SPG-NA scholarship fund for the year 2010. The recommended annual donation is at least US\$50 for professionals and US\$20 for students. Right now we are not registered as a non-profit organization and we do not have a special bank account. Dhananjay and Abhijit will collect the money for now.

Note that there is no annual membership fee for SPGNA.
